

St Gerard's Catholic Primary and Nursery School

Our School Improvement Plan for Raising Teaching and Learning. 2016-2017. A Summary for Parents

The School Improvement Plan for Raising Teaching and Learning is what we use for continually improving St Gerard's Catholic Primary and Nursery School. The Plan is reviewed regularly at staff and governing body meetings and progress alongside development targets are monitored closely. If you wish to see the detailed SDP or have any comments then please do not hesitate to contact the school.

Development Area

Details

Achievement and Standards

We want to provide children with plenty of opportunities to develop their skills in writing in all subjects throughout the school to make their writing even better.

Quality of Teaching

We want to continue to make sure our teachers are better skilled as subject leaders so that monitoring, accountability processes, pupil voice and feedback are effective and measureable.

Leadership and Management

We want to continue to embed the new assessment system in school and ensure that all children are monitored for progress across all subject area.

Quality of provision in Early Years

We want to make sure that our children in the Early Years make good progress in relation to their starting point and that more children will make Good Levels of Development by the time they finish in Reception Class.
