

# WELCOME BACK!

Welcome back to the summer term. We hope you had a pleasant Easter and was able to spend some enjoyable time with your family. This term is always a busy one and over the next few weeks the children in Year 2 and Year 6 will be sitting their SATs tests. Please remember them in your thoughts; the staff and children have worked extremely hard and I am sure they will be successful with their exams.

On Monday we introduced a new catering company called DOLCE which has got off to a positive start and I would like to thank you for your support with this. We have had a new security fence built around our tyre park and the outdoor classroom area and over the next few weeks work will be taking place on replacing the perimeter fencing around the School. Thank you again for your co-operation and for your continued support.

## Science Week

This week we have had a 'Scientific' week. From Nursery to Year 6 the children have carried out a range of experiments. We even had some fluffy visitors into Nursery. It was lovely to end the week with a wonderful assembly lead by Year 3 all about science and Jesus teaching us. Miss Sanders, Mrs McNulty and the children explained to the parents and carers of Year 3 all of the learning that has taken place. Please take a look at our Science page on the School Website for photographs, examples of work and links to learning that you can continue at home.

## Plant Donation

As you can see we are in the process of developing our outdoor provision for all of the children from Nursery to Year 6. We would love to brighten up the school grounds with a range of plants/flowers. Please can you support our vision by donating any plants/seeds for the children to plant outside.

# SATS

**Year 6 SATs** - Just to remind parents and carers that the children in Year 6 will sit their SATs tests from Monday 14 May 2018. Year 6 parents and carers will have already had information about the week. Just to remind you that all children must be in school next week and if your child is absent from school at all we will require a Medical Note or we will do our best to come to your home to administer the test. The children have worked so hard and I am sure they will do the best they can. Thank you to all the staff who have prepared the children for these tests. Please remember them in your prayers. The children are invited to come into school week commencing 14 May 2018 from 8am where they will be given breakfast and some time for revision and preparation.

**After School Provision** - Any questions or queries about the After School Provision please ring:

**07756808219.**

## Contact Information

If you change any of contact information i.e. mobile phone number, email address etc, could you please call into the school office and give in your new details. It is extremely important that we can contact parents in case of illness or emergencies.

**Parking around school** - Please note the following regarding parking issues around school:

- It is illegal to park on a corner or on zig-zag lines. They are for emergency purposes.
- Residents in the area are concerned that parents are parking in front of their drives. Please be mindful of this when dropping/collecting children from school.
- We have had a few complaints regarding the parking on Lugsdale Road (opposite the old church). We have contacted the local police who will be monitoring the situation regularly.

**School App** - Look out for our new school app. This will be linked to our website. More information to follow.

**Art** - During the summer term we will embark on a whole school topic of Africa - A faraway place. There are lots of exciting projects planned to celebrate this theme - African Zulu dancing, learning to prepare and cook an African menu or using African ingredients with the Fun Food Chef, trips to the Word Museum and projects with artists.

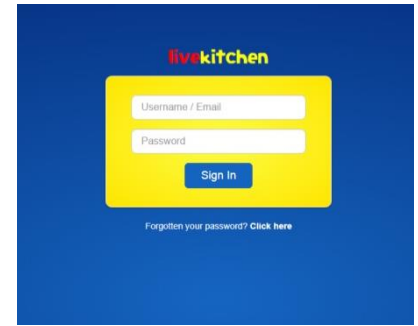

**School Website/Class Pages** - We pride ourselves on our communication with parents and the various methods that we have. In addition to Twitter/Facebook and Class Dojo please do not forget our School Website. We have electronic copies of policies, newsletters and class information. Please visit your child's class page to find out what they will be learning.

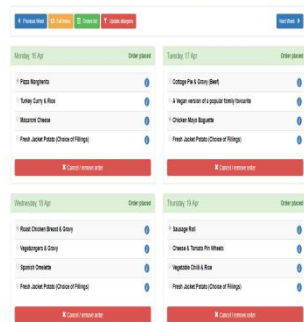

# School Dinners

You should have already received an email from Live Kitchen if you have not please call into the School Office. With your log in details please log on to your account.

Once you are in your account you can order meals, **EVEN IF YOUR CHILD IS ON FREE SCHOOL MEALS YOU MUST ORDER THEIR SCHOOL MEALS.** You can put in allergens and pay your account (if your child is NOT on Free school Meals).

Ordering meals - on this tab you can order your children's meals for the forthcoming term. Please ensure that if you are ordering on a daily basis that it is ordered by 9.30am. **If your child is going to be absent from school any day of the week and you have ordered their school meal please can you log on and cancel it.**

On the food tab you can check allergens, your current orders and the recipes for some of the meals your children have in school

On the account tab you can change passwords, set up a direct debit or pay by card. Please remember the school is **NOT** taking any cash payment for the school meals.

**If you have any problems or queries please call into the School Office**

## A Prayer for Summer

Father, Creator of all, thank you for summer. Thank you for the warmth of the sun and the increased daylight. Thank You for the beauty I see all around me and for the opportunity to be outside and enjoy your creation. Thank you for the increased time I have to be with my friends and family, and for the more casual pace of the summer season. Draw me closer to you this summer. Teach me how I can pray no matter where I am or what I am doing. Warm my soul with the awareness of your presence and light my path with your word and counsel. As I enjoy your creation, create in me a pure heart and a hunger and a thirst for you. Amen.
