

The last week has probably been one of the most tensed times in my eleven years of Headteacher at St Gerard's. I have been grateful for the comforting words and emails that we have received from parents and carers over the past week as well as the support and hard work of all of our staff who have conducted themselves in a professional and caring manner.

It is going to be a strange few months for everyone especially as we have no idea what will happen.

We will do our best to keep you up to date with information as we receive it and please keep in touch with me through my email (head.stgerards@halton.gov.uk.)

Finally as we close the doors to our wonderful school today many of us will have a tear in our eye (I already have one as I am writing this letter.) Who knows when we will re-open?

We will remain strong for each other and most importantly for our wonderful children, many of whom have no understanding as to what is happening.

Please remember everyone in your prayers over the next few weeks. Look after each other and be there for each other.

God Bless.

Mr. K Landrum
Headteacher
