

Behaviour and Attitudes

- To make sure that pupils have high attendance and come to school on time.
- Continue to make certain that all aspects of pupils' welfare is promoted at all times resulting in pupils feeling and being safe.

Leadership and Management

- To strengthen and develop the skills of subject leaders in order to ensure that their impact is effective and measurable in order to provide the best possible outcomes for all pupils.

Quality of Education

- To ensure writing moderation is a whole school staff approach and feeds into formative termly assessment.
- To ensure that all subjects are securely implemented and are making an impact on progress across school.

Early Years' Provision

- To introduce two year old provision at St. Gerard's and ensure that it is implemented successfully and all available policies and procedures are in place.

Personal Development

- For children to become more involved in leadership roles within our school community.

Religious Life of Our School

- Develop and introduce a prayer garden so that it is used effectively for prayer and liturgy as an additional resource for developing spirituality.
- Continue to implement the RED programme in Key Stage 2 as well as ensuring that this is delivered creatively and confidently.
