- Pencil
- White pencil

**1** Place the bowl upside down and paint the whole bowl using the red paint. Leave to dry.

**2** Using a pencil, draw a curved shape for the face, a line down the middle and spots on either side to create the ladybird's body.

**3** Paint the face, line and spots using black paint, then leave to dry.

**4** Next make the antennas; poke two pipe cleaners through the top of the bowl. Then curve them around at the very end.

**5** Stick googly eyes onto the ladybird's face.

**6** To finish, use the white pencil to give your ladybird a smiley face.

# General Sound Discrimination – Body Percussion EYFS Home Learning Challenge

Play 'Follow the Leader' with your family. One person chooses some body percussion (for example, patting their knees, clapping their hands or clicking their fingers), the rest of the family have to copy them. Take turns to be the leader.

Listen to some music at home with your family. Can you all clap along to the beat?

Use your voice to make sounds like a car, a dog, a ghost, a train and bubbles under water.

Teach everyone at home the "Pat-a-cake, pat-a-cake, baker's man" rhyme and show them how to clap their hands together to the beat.
