Easter Crafts/Learning:

As we prepare for Easter this week, please spend time with your child completing the 'Come & See RE' activities in your learning pack. As the sun is shining please spend time in the garden making a cross using natural materials. Please post a picture on your portfolio

Home Learning:

Another week of home learning has passed and the quality of home learning continues to soar. We are blown away by the number of pictures/videos that have been sent in. It is amazing to see how the children are still in the routine of learning and are continuing to work hard during this unusual time.

RM EasiMaths

I have contacted RM Education regarding the ongoing issue with iPad logins. They have sent the following reply.

Replying to @StGerardsWidnes

We are working on an updated version that will work on any device, which is currently slated for Autumn release this year. We understand this doesn't help now, but users can still access form desktop or laptop via Puffin Browser: flashbrowser.com/APN/index.php?....

This week we have been learning...

WC: 6th April 2020

Oxford Owl - (eBooks):

We are conscious that the children are missing out on having their reading book changed. To ensure continuity with reading/phonics please can you create an online account at the following website: <https://home.oxfordowl.co.uk> if you click on 'Read, Write Inc' and then choose a book to read.

Parents/child's comments:

Writing Challenge:

Can you write an Easter Card for someone that you are not going to see over the Easter holiday?

It would be great to see examples of the children's writing before you post them.
